Revised Stormwater Management Plan, Condition 26I

Dear Mr Cooper

I refer to the revised Stormwater Management Plan (SMP) submitted to the Planning Secretary under condition 26I of MP06_0050.

I note the revised SMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated due to Modification 3 and 4 determinations, including relevant administrative changes; and
- contains the information required by condition 15.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Stormwater Management Plan, Revision 5.0 dated 14 August 2025, is prepared as per condition 26I of MP06_0050.

Please note that if there are any inconsistencies between the approved revised SMP and the conditions of consent, the conditions will prevail.

Also, please make the approved revised SMP including this letter available for public access on the project website at the earliest convenience, if already not done so.

If you have any questions, please contact Matt Wood at matthew.wood@dpi.nsw.gov.au.

Yours sincerely
