**Tomago Spent Potlining Recycling Facility (MP06\_0050)**  
**Revised Operational Environmental Management Plan, Conditions 26E & 26I**

---

Dear Mr Cooper

I refer to the revised Operational Environmental Management Plan (OEMP) submitted to the Planning Secretary under condition 26I of MP06\_0050.

I note the revised OEMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated due to Modifications 3 and 4 determinations including other relevant administrative changes; and
- contains the information required by condition 26E.

Also, I note that the Department previously approved the OEMP, Revision 8, on 14 July 2020 under PA-1.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Operational Environmental Management Plan, Revision 9 dated 29 August 2025, is prepared as per condition 26I of MP06\_0050.

Please note that if there are any inconsistencies between the approved revised OEMP and the conditions of consent, the conditions will prevail.

Also, please make the approved revised OEMP including this letter available for public access on the project website at the earliest convenience.

If you have any questions, please contact Matt Wood at [matthew.wood@dpi.nsw.gov.au](mailto:matthew.wood@dpi.nsw.gov.au).

Yours sincerely

Shiraz Ahmed  
Team Leader - Social Infrastructure Projects Unit  
Infrastructure Management

As nominee of the Planning Secretary
