Tomago Spent Potlining Recycling Facility (MP06_0050)
Revised Air Quality Management Plan, Condition 26I & 18A/18B

Dear Mr Cooper

I refer to the revised Air Quality Management Plan (AQMP) submitted to the Planning Secretary under condition 26I of MP06_0050.

I note the revised AQMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated due to Modification 3 and 4 determinations including other relevant administrative changes; and
- contains the information required by condition 18A.

I also note that the Department previously approved the AQMP, Revision 0, on 14 July 2020 under PA-1.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Air Quality Management Plan, Revision 1 dated 27 August 2025, is prepared as per condition 26I of MP06_0050.

Please note that if there are any inconsistencies between the approved revised AQMP and the conditions of consent, the conditions will prevail.

Also, please make the approved revised AQMP including this letter available for public access on the project website at the earliest convenience.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Shiraz Ahmed
Team Leader - Social Infrastructure Projects Unit
Infrastructure Management

As nominee of the Planning Secretary
